In consideration of the mutual undertakings and agreements contained herein, the parties agree as follows:

- A. The Client agrees to employ and retain Kutak Rock as its attorney and legal representative for general advice, counseling and representation of Client and its Board of Supervisors.
- B. Kutak Rock accepts such employment and agrees to serve as attorney for and provide legal representation to the Client in connection with those matters referenced above. Unless set forth in a separate agreement to which Client consents in writing, Kutak Rock does not represent individual members of the Client's Board of Supervisors.

III. CLIENT FILES

The files and work product materials ("**Client File**") of the Client generated or received by Kutak Rock will be maintained confidentially to the extent permitted by law and in accordance with the Florida Bar rules. At the conclusion of the representation, the Client File will be stored by Kutak Rock for a minimum of five (5) years. After the five (5) year storage period, the Client hereby acknowledges and consents that Kutak Rock may confidentially destroy or shred the Client File. Notwithstanding the prior sentence, if the Client provides Kutak Rock with a written request for the return of the Client File before the end of the five (5) year storage period, then Kutak Rock will return the Client File to Client at Client's expense.

IV. FEES

- A. The Client agrees to compensate Kutak Rock for services rendered in connection with any matters covered by this Agreement on an hourly rate basis plus actual expenses incurred by Kutak Rock in accordance with the attached Expense Reimbursement Policy (Attachment A, incorporated herein by reference). Time will be billed in increments of one-tenth (1/10) of an hour. Certain work related to issuance of bonds and bond anticipation notes may be performed under a flat fee to be separately established prior to or at the time of bond or note issuance.
- B. Attorneys and staff, if applicable, who perform work for Client will be billed at their regular hourly rates, as may be adjusted from time to time. The regular hourly rates of those initially expected to handle the bulk of Client's work are as follows:

Wesley S. Haber	\$320
Associates	\$220-\$250
Paralegals	\$145

Kutak Rock's regular hourly billing rates are reevaluated annually and are subject to change not more than once in a calendar year. Client agrees to Kutak Rock's annual rate increases to the extent hourly rates are not increased beyond \$15/hour.

- C. To the extent practicable and consistent with the requirements of sound legal representation, Kutak Rock will attempt to reduce Client's bills by assigning each task to the person best able to perform it at the lowest rate, so long as he or she has the requisite knowledge and experience.
- D. Upon consent of Client, Kutak Rock may subcontract for legal services in the event that Client requires legal services for which Kutak Rock does not have adequate capabilities.
- E. Kutak Rock will include costs and expenses (including interest charges on past due statements) on its billing statements for Client reimbursement in accordance with the attached Expense Reimbursement Policy.

V. BILLING AND PAYMENT

The Client agrees to pay Kutak Rock's monthly billings for fees and expenses incurred within thirty (30) days following receipt of an invoice, or the time permitted by Florida law, whichever is greater. Kutak Rock shall not be obligated to perform further legal services under this Agreement if any such billing statement remains unpaid longer than thirty (30) days after submittal to and receipt by Client. Non-payment of billing statements shall be a basis for Kutak Rock to immediately withdraw from the representation without regard to remaining actions necessitating attention by Kutak Rock as part of the representation.

VI. DEFAULT; VENUE

In any legal proceeding to collect outstanding balances due under this Agreement, the prevailing party shall be entitled to recover reasonable attorneys' fees in addition to costs and outstanding balances due under this Agreement. Venue of any such action shall be exclusive in the state courts of the Second Judicial Circuit in and for Leon County, Florida.

VII. CONFLICTS

It is important to disclose that Kutak Rock represents a number of special districts, trustees ("Trustees"), bondholders, developers, builders, and other entities throughout Florida and the United States of America relating to community development districts, special districts, local governments and land development. Kutak Rock or its attorneys may also have represented the entity which petitioned for the formation of the Client. Kutak Rock understands that Client may enter into an agreement with a Trustee in connection with the issuance of bonds, and that Client may request that Kutak Rock simultaneously represent Client in connection with the issuance of bonds, while Kutak Rock is also representing such Trustee on unrelated matters. By accepting this Agreement Client agrees that (1) Client was provided with an explanation of the implications of the common representation(s) and the advantages and risks involved; (2) Kutak Rock will be able to provide competent and diligent representation of Client, regardless of Kutak Rock's other representations, and (3) there is not a substantial risk that Kutak Rock's representation of Client would be materially limited by Kutak Rock's responsibilities to another client, a former client or a third person or by a personal interest. Acceptance of this Agreement will constitute Client's waiver of any "conflict" with Kutak Rock's representation of various special districts, Trustees, bondholders, developers, builders, and other entities relating to community development districts, special districts, local governments and land development.

VIII. ACKNOWLEDGMENT

Client acknowledges that the Kutak Rock cannot make any promises to Client as to the outcome of any legal dispute or guarantee that Client will prevail in any legal dispute.

X. EXECUTION OF AGREEMENT

This Agreement shall be deemed fully executed upon its signing by Kutak Rock and the Client. The contract formed between Kutak Rock and the Client shall be the operational contract between the parties.

MEMORANDUM

To: District Manager

From: District Counsel

RE: Publication of Legal Notices

During the 2021 legislative session certain statutory changes were enacted affecting publication of legal notices. *See* Ch. 2021-17, Laws of Fla. Relevant to community development districts, this includes enactment of:

- (i) criteria that expand the newspapers that may qualify to publish legal notices; and
- (ii) provisions that allow for internet-only publication of certain legal notices.

As regards (i), District Managers should evaluate whether there are less expensive newspapers that qualify for publication of legal notices. As regards (ii), the Legislature's provision of internetonly publication of legal notices appears unlikely to provide any benefit to community development districts. In addition, revisions to district Rules of Procedure are included to address both (i) and (ii). However, updated Rules of Procedure only need to be adopted if a district desires to use a newspaper that only qualifies for publication of legal notices under the new statutory language, and not under the current Rules of Procedure. These matters are summarized in more detail below. The subject statutory changes are effective January 1, 2022.

1. Expanded Criteria for Newspapers to Qualify for Publication of Legal Notices

Effective January 1, 2022, section 50.011, Florida Statutes, includes revised and expanded criteria for newspapers to be eligible as a newspaper of "general circulation" to publish legal notices and advertisements. § 50.011(1)(a)-(e), Fla. Stat. District Managers should review these criteria to determine if less expensive newspapers qualify for the publication of district legal notices.

2. Internet-Only Publication of Legal Notices

Effective January 1, 2022, section 50.0211, Florida Statutes, authorizes certain notices to published solely on the internet. § 50.0211, Fla. Stat. For community development districts this includes special district meeting notices pursuant to section 189.015, Florida Statutes (i.e., annual and regular meeting notices), and establishment and termination notices pursuant to section 190.005 and 190.046, Florida Statutes. § 50.0211(1)(b)8., 9., Fla. Stat. Newspapers may charge for internet only publication, but no more than authorized if the notice had been published in a print edition (the expectation is that internet-only publication will offer savings versus print publication). § 50.0211(5)(c), Fla. Stat.

This internet-only option, however, comes with significant strings attached. Most significantly, entities opting for internet-only publication must publish a notice at least once per week in the print edition of a newspaper of general circulation that states that legal notices do not all appear in the print edition of the local newspaper and that additional legal notices may be accessed on the

Page 2 of 2 Publication of Legal Notices

newspaper's website or on the statewide legal notice website. § 50.0211(5)(d), Fla. Stat. Thus, it appears the burden of weekly publication of notices advising the public that internet-only publication is being utilized more than outweighs any logistical and cost benefits that might be realized from the limited scope of notices districts may publish solely on the internet. In addition, to utilize internet-only publication, a district's board of supervisors must make a determination that such internet-only publication is in the public interest and that the residents within the district have sufficient access to the internet such that internet-only publication would not unreasonably restrict public access. § 50.0211(5)(a), Fla. Stat.

3. <u>Updated Rules of Procedure</u>

If a district believes it would benefit from the expanded criteria for what may qualify as a newspaper of "general circulation" authorized to publish legal notices or the availability of internet-only publication, district Rules of Procedure should be updated to incorporate statutory changes as follows:

Rule 1.3 Public Meetings, Hearings, and Workshops.

(1) Notice. Except in emergencies, or as otherwise required by statute or these Rules, at least seven (7) days, but no more than thirty (30) days public notice shall be given of any public meeting, hearing or workshop of the Board. Public notice shall be given by publication in a newspaper of general circulation in the District and in the county in which the District is located. A newspaper is deemed to be a newspaper of "general circulation" within the District and county in which the District is located if such newspaper has been in existence for two (2) years at the time of publication of the applicable notice (unless no newspaper within the county has been published for such length) and satisfies the criteria of section 50.011(1), Florida Statutes, or if such newspaper is a direct successor of a newspaper which has been so published. Meeting notices pursuant to section 189.015, Florida Statutes, may be noticed by internet-only publication upon election by the District's Board and compliance with the requirements of section 50.0211, Florida Statutes. "General circulation" means a publication that is printed and published at least once a week for the preceding year, offering at least 25% of its words in the English language, qualifies as a periodicals material for postal purposes in the county in which the District is located, is for sale to the public generally, is available to the public generally for the publication of official or other notices, and is customarily containing information of a public character or of interest or of value to the residents or owners of property in the county where published, or of interest or of value to the general public. The annual meeting notice required to be published by Section 189.015 of the Florida Statutes, shall be published in a newspaper not of limited subject matter, which is published at least five days a week, unless the only newspaper in the county is published less than five days a week. Each Notice shall state, as applicable:

MEMORANDUM

From: District Counsel

RE: Wastewater and Stormwater Needs Analysis

During the 2021 legislative session sections 403.9301 and 403.9302, Florida Statutes, were enacted requiring local governments to perform a 20-year needs analysis of certain wastewater and stormwater services or systems. Subject special districts are required to complete this analysis by June 30, 2022, and every five years thereafter. This memorandum answers basic questions regarding these new statutory provisions and requests that District Managers seek authorization for staff to solicit proposals to complete the required study as appropriate. We expect the services necessary to complete the required analysis to be exempt from competitive solicitation requirements as a planning or study activity below the statutory threshold of \$35,000. §§ 287.055, 287.017, Fla. Stat. Thus, as deemed appropriate and in the best interests of the subject district, districts may elect to utilize the services of existing engineering or other professionals currently under contract or may seek additional proposals for completion of the required needs analysis.

Which special districts are required to complete a needs analysis under section 403.9301 and 403.9302, Florida Statutes?

Special districts providing "wastewater services" or a "stormwater management program or stormwater management system" must complete a needs analysis.¹

What constitutes "wastewater services"?

Wastewater services means providing service to pipelines or conduits, pumping stations, and force mains and associated facilities used for collecting or conducting wastes to an ultimate point for treatment or disposal or to a plant or other works used for the purpose of treating, stabilizing, or holding wastewater principally from dwellings, business buildings, institutions, and sanitary wastewater or sewage treatment plants.

¹ Counties, municipalities, and special districts located in a "rural area of opportunity" may be exempt from the requirements of sections 403.9301 and 403.9302, Florida Statutes, if compliance would create an undue economic hardship. This includes:

[•] *Northwest Rural Area of Opportunity:* Calhoun, Franklin, Gadsden, Gulf, Holmes, Jackson, Liberty, Wakulla, and Washington counties, and the area within the city limits of Freeport and Walton County north of the Choctawhatchee Bay and intercoastal waterway.

[•] South Central Rural Area of Opportunity: DeSoto, Glades, Hardee, Hendry, Highlands, and Okeechobee counties, and the cities of Pahokee, Belle Glade, and South Bay (Palm Beach County), and Immokalee (Collier County).

[•] North Central Rural Area of Opportunity: Baker, Bradford, Columbia, Dixie, Gilchrist, Hamilton, Jefferson, Lafayette, Levy, Madison, Putnam, Suwannee, Taylor, and Union counties.

Page 2 of 2 Wastewater and Stormwater Needs Analysis

What constitutes "stormwater management program or stormwater management system"?

"Stormwater management program" means an institutional strategy for stormwater management, including urban, agricultural, and other stormwater. "Stormwater Management System" means a system which is designed and constructed or implemented to control discharges which are necessitated by rainfall events, incorporating methods to collect, convey, store, absorb, inhibit, treat, use, or reuse water to prevent or reduce flooding, overdrainage, environmental degradation and water pollution or otherwise affect the quantity and quality of discharges from the system.

What must the needs analysis for these services or systems include?

- A detailed description of associated facilities;
- The number of current and projected residents served calculated in 5-year increments;
- The current and projected service area;
- The current and projected cost of providing services calculated in 5-year increments;
- The estimated remaining useful life of each facility or its major components;
- The most recent 5-year history of annual contributions to, expenditures from, and balances of any capital account for maintenance or expansion of any facility or its major components;
- The district's plan to fund the maintenance or expansion of any facility or its major components. The plan must include historical and estimated future revenues and expenditures with an evaluation of how the district expects to close any projected funding gap.
- The Office of Economic and Demographic Research has <u>templates and other resources</u> <u>and guidance</u> under development on its website to assist in completion of this required anslysis.

When must the needs analysis required be complete?

The 20-year needs analysis must be completed by June 30, 2022.

What happens to the needs analysis once it is complete?

The complete needs analysis and associated methodology and supporting data must be submitted to the county within which the largest portion of the subject district facilities are located. Each county must them compile all analyses submitted to it (from special districts, municipalities, and the county itself) into a single document that must be filed with the Department of Environmental Protection and Office of Economic and Demographic Research by July 31, 2022 and every five years thereafter. The Office of Economic and Demographic research is required to evaluate the compiled documents for purposes of developing a statewide analysis that will include an analysis of the expenditures necessary to repair, replace, and expand water-related infrastructure.

MEMORANDUM

RE: Prompt Payment Policies

As you may know, during the 2021 legislative session Part VII of Chapter 218, Florida Statutes (the "Local Government Prompt Payment Act") was amended. This includes an increase from 1 percent to 2 percent as the floor interest rate on late payments for construction services and the addition of certain contractor rights in the event a local government entity fails to timely commence dispute resolution procedures in the event of an improper payment request or invoice. *See* §§ 218.735(9); 218.76(2)(b), Fla. Stat. As provided in Florida Chapter Laws 2021-124, these changes apply to contracts executed on or after July 1, 2021.

Accordingly, we advise that districts adopt new or updated Prompt Payment Policies and Procedures as attached hereto to reflect these changes. For districts that have previously adopted Prompt Payment Policies and Procedures prepared by Hopping, Green & Sams, this consists of the following changes as reflected in track-change format:

VII. Resolution of Disputes

* * *

B. Dispute Resolution Procedures

- 1. If an Improper Payment Request or Improper Invoice is submitted, and the Provider refuses or fails to submit a revised payment request or invoice as contemplated by the PPA and these Policies and Procedures, the Provider shall, not later than thirty (30) days after the date on which the last payment request or invoice was Date Stamped, submit a written statement via certified mail to the Agent, copying the District Manager, specifying the basis upon which the Provider contends the last submitted payment request or invoice was proper.
- 2. Within forty-five (45) days of receipt by the Agent and District Manager of the disputed, last-submitted payment request or invoice, the Agent and/or District Manager shall commence investigation of the dispute and render a final decision on the matter no later than sixty (60) days after the date on which the last-submitted payment request or invoice is Date Stamped.
- 3. With regard to contracts executed on or after July 1, 2021, if the District does not commence the dispute resolution procedure within the time provided herein, a Provider may give written notice via certified mail to the Agent, copying the District Manager, of the District's failure to timely commence its dispute resolution procedure. If the District fails to commence the dispute resolution procedure within

four (4) business days after receipt of such notice, any amounts resolved in the Provider's favor shall bear mandatory interest, as set forth in section 218.735(9), Florida Statutes, from the date on which the payment request or invoice containing the disputed amounts was Date Stamped. If the dispute resolution procedure is not commenced within four (4) business days after receipt of the notice, the objection to the payment request or invoice shall be deemed waived. The waiver of an objection pursuant to this paragraph does not relieve a Provider of its contractual obligations.

- 34. Absent a written agreement to the contrary, if the Provider refuses or fails to provide the written statement required above, the Agent and/or District Manager is not required to contact the Provider in the investigation. In addition, and absent a written agreement to the contrary, if such written statement is not provided, the District may immediately contract with third parties to provide the goods and services subject to the dispute and deduct the costs of such third party purchases from amounts owed to the Provider.
- 45. The Board shall approve any decision of the District Manager to contract with a third party which would result in: 1) an expenditure above what is budgeted for the Construction Services or Non-Construction Services; or 2) an expenditure which exceeds the original contract amount for the Construction Services or Non-Construction Services by more than ten percent (10%) or Ten Thousand Dollars (\$10,000).
- 56. A written explanation of the final decision shall be sent to the Provider, via certified mail, within five (5) business days from the date on which such final decision is made. A copy of the written explanation of the final decision shall be provided to the Chairperson of the Board simultaneously with the certified mailing to the Provider.
- 67. If a Provider does not accept in writing the final decision within five (5) days after receipt by the Provider, the District may immediately contract with third parties to provide the goods and services subject to the dispute and deduct the costs of such third party purchases from amounts owed to the Provider. If the costs of the third party purchases exceed the amount the District owes to the Provider, the District may seek to recover such excess from the Provider in a court of law or as otherwise provided in an agreement between the District and the Provider. Nothing contained herein shall limit or affect the District's ability to enforce all of its legal and contractual rights and remedies against the Provider.

X. Late Payment Interest Charges

- * * *
- **B.** Related to Construction Services

Page 3 of 3 Prompt Payment Policies

All payments for Construction Services that are not made within the time periods specified within the applicable statute, shall bear interest from thirty (30) days after the due date, at the rate of one percent (1%) per month for contracts executed on or before June 30, 2021, and at the rate of two percent (2%) per month for contracts executed on or after July 1, 2021, or the rate specified by agreement, whichever is greater. §218.735(9), Fla. Stat. The Provider must submit a Proper Payment Request to the District for any interest accrued in order to receive the interest payment. An overdue period of less than one (1) month is considered as one (1) month in computing interest. (§218.74(4), Fla. Stat.).

Unpaid interest is compounded monthly. The term one (1) month means a period beginning on any day of a month and ending on the same day of the following month.

A. Dispute between the District and a Provider

If a dispute between the District and a Provider cannot be resolved following resubmission of a payment request by the Provider, the dispute must be resolved in accordance with the dispute resolution procedure prescribed in the construction contract, if any. In the absence of a prescribed procedure in the contract, the dispute must be resolved by the procedures specified below.

B. Dispute Resolution Procedures

1. - 4. Absent a written agreement to the contrary, if the Provider refuses or fails to provide the written statement required above, the Agent and/or District Manager is not required to contact the Provider in the investigation. In addition, and absent a written agreement to the contrary, if such written statement is not provided, the District may immediately contract with third parties to provide the goods and services subject to the dispute and deduct the costs of such third party purchases from amounts owed to the Provider.
- 5. The Board shall approve any decision of the District Manager to contract with a third party which would result in: 1) an expenditure above what is budgeted for the Construction Services or Non-Construction Services; or 2) an expenditure which exceeds the original contract amount for the Construction Services or Non-Construction Services by more than ten percent (10%) or Ten Thousand Dollars (\$10,000).

A copy of the written explanation of the final decision shall be provided to the Chairperson of the Board simultaneously with the certified mailing to the Provider.

7. If a Provider does not accept in writing the final decision within five (5) days after receipt by the Provider, the District may immediately contract with third parties to provide the goods and services subject to the dispute and deduct the costs of such third party purchases from amounts owed to the Provider. If the costs of the third party purchases exceed the amount the District owes to the Provider, the District may seek to recover such excess from the Provider in a court of law or as otherwise provided in an agreement between the District and the Provider. Nothing contained herein shall limit or affect the District's ability to enforce all of its legal and contractual rights and remedies against the Provider.

VIII. Purchases Involving Federal Funds or Bond Funds

When the District intends to pay for a purchase with federal funds or bond funds, the District shall make such purchases only upon reasonable assurances that federal funds or bond funds sufficient to cover the cost will be received. When payment is contingent upon the receipt of bond funds, federal funds or federal approval, the public procurement documents and any agreement with a Provider shall clearly state such contingency. (§218.77, Fla. Stat.).

IX. Requirements for Construction Services Contracts – Project Completion; Retainage

The District intends to follow the PPA requirements for construction project completion and retainage, including, but not limited to, §218.735 (7) and (8), Fla. Stat.

X. Late Payment Interest Charges

Failure on the part of the District to make timely payments may result in District responsibility for late payment interest charges. No agreement between the District and a Provider may prohibit the collection of late payment interest charges allowable under the PPA as mandatory interest. (§218.75, Fla. Stat.).

A. Related to Non-Construction Goods and Services

All payments due from the District, and not made within the time specified within this policy, will bear interest, from thirty (30) days after the due date, at the rate of one percent (1%) per month on the unpaid balance. The Vendor must submit a Proper Invoice to the District for any interest accrued in order to receive the interest payment. (§218.735(9), Fla. Stat.).

An overdue period of less than one (1) month is considered as one (1) month in computing interest. Unpaid interest is compounded monthly. The term one (1) month means a period beginning on any day of a month and ending on the same day of the following month.

B. Related to Construction Services

All payments for Construction Services that are not made within the time periods specified within the applicable statute, shall bear interest from thirty (30) days after the due date, at the rate of one percent (1%) per month for contracts executed on or before June 30, 2021, and at the rate of two percent (2%) per month for contracts executed on or after July 1, 2021, or the rate specified by agreement, whichever is greater. §218.735(9), Fla. Stat. The Provider must submit a Proper Payment Request to the District for any interest accrued in order to receive the interest payment. An overdue period of less than one (1) month is considered as one (1) month in computing interest. (§218.74 (4), Fla. Stat.).

Unpaid interest is compounded monthly. The term one (1) month means a period beginning on any day of a month and ending on the same day of the following month.

C. **Report of Interest**

RE: Public Records Exemptions Advisory Notice

As you may know, during the 2021 legislative session section 119.071, Florida Statutes, was revised to include additional requirements regarding the public records exemption for home addresses, telephone numbers, dates of birth, photographs, and other information associated with certain officers, employees, justices, judges, or other persons identified in section 119.071(4)(d)2. In particular, section 119.071(4)(d)3. now provides that the custodian of such information must maintain its exempt status where the subject officer, employee, justice, judge or person, or employing agency of the designated employee submits a written *and notarized* request for maintenance of the exemption to the custodial agency. Further, the *request must state under oath the statutory basis for the individual's exemption request and confirm the individual's status as a party eligible for exempt status*. The italicized requirements for notarization and a statement under oath as to the statutory basis for the exemption request are new requirements that became effective July 1, 2021.

Please ensure district records custodians and other appropriate personnel have been appropriately advised of these changes for purposes of evaluating exemptions for future public records requests.
